Monday 3rd August 2026 at 10am

Public Hall - Parish of St Martin

Present:

Karen Shenton Stone (KSS) (Chair)
Mick Jehan (MJ)
Danny Wherry (DW)
Richard Le Cornu (RLC)
Pete Stone (PS)

Apologies:

In attendance: Charles Alluto (CA) (Parish Secretary)

1. Agenda, Apologies and Conflicts of Interest:

No conflicts of interest were noted.

2. Minutes of Previous Meeting held on Monday 6th July 2026.

The Minutes of the Meeting on Monday 6th July were approved and signed by the Connétable.

3. Action Points & Matters Arising:

- (i) Road Sweeping Contract:
Ongoing
- (ii) Rue de Neuilly – Works Update:
MJ suggested that the works should be further reviewed once there had been some rainfall to ascertain whether it was still pooling.
- (iii) Rose Lea – Planning Application:
It was noted that the Parish had requested a traffic management plan and the applicant had duly submitted a response. It was acknowledged that it would be for the Planning Officers to decide whether any additional information was required.
- (iv) Visite Royale – Roads Report:
Completed.
- (v) La Rue des Vaux de l'Eglise:
It was noted that the Abreuvoir had been cleared but the channel was quite overgrown. MJ kindly agreed to discuss spraying the area with Jon Harvey.

(vi) **Mont de la Guerande – Turning Circle**

It was noted that CA had asked Germbusters for clarification on turning circles but no response had been received to date, although he had been assured that they would be undertaking a site visit.

It was suggested that the best option would be for the appointed architect to discuss the requirements with Germbusters direct and to provide some scale drawings and sections for the Committee's further consideration.

CA was requested to contact the owner accordingly.

4. Planning Matters

The Committee considered 2 planning applications relating to Field Lodge and Beau Pre. It was agreed that neither application had a detrimental impact upon the Parish roads and so it was agreed not to submit any comments.

5. Hollybank House – Field 66A

It was agreed to review during the site visit at the end of the meeting.

6. Rue de Sergent – Pooling by Oak Tree Cottage

It was agreed to review during the site visit at the end of the meeting.

7. Parish Path – La Rue de Pavillion

It was noted that the removal of sections of the banks either side of the Parish path had not caused any significant damage to the path itself. Following complaints from members of the Public the issue was now being addressed by Enforcement.

8. Visite Royale – Outcomes

It was believed that the Royal Court would now draft the necessary Notice in relation to the required works at Fliquet. In terms of Rue de la Solitude the Parish could wait for the yellow lines to fade or alternatively review options for "burning off" and erecting suitable signage.

CA was requested to contact One Stop Signs to consider the available options.

9. Branchage

It was noted that the Chair of the Rates Assessors had suggested that it would be beneficial if they could attend the Branchage itself. Whilst the Roads Committee would welcome their attendance it was not with only one minibus. It was suggested that the Chair should be invited subject to there being an available seat.

Following the recent Visite Royale it was agreed that the Branchage meal would be limited to members of the Municipality and Parish Deputies. No other guests would be invited on this occasion.

10. AOB

La Rue des Valleees

It was noted that the drains needed clearing at the top of La Rue des Valleees although some were simply dummy drains. RLC kindly agreed to help the team lift the lids if they were having difficulties.

11. Site Visit Notes

Hollybank House – Field 66A

Following a site visit it was agreed that MJ would meet the owner on site to discuss his proposals.

Rue de Sergent - Pooling

CA was requested to arrange for Drain-It to clear the drain outside Oak Tree Cottage.

12. Date of Next Meeting – 9am, Monday 7th September 2026

Signed:  Date: 7 September 2026
